Mark,

This letter is to serve as your notice that the Visionworks store at space number 1530 here at the mall has been completed to our satisfaction and there are no outstanding punchlist issues. I would also like to compliment you and your staff for the professionalism and quality with which this job was executed. Your team demonstrated superior planning and organization skills from the initial project meeting through the final space turnover to the client as the project was well staffed and managed throughout with quality tradesmen and subcontractors. This project was completed on time and with minimal disruption to the mall daily operations. It has been a pleasure working with you and your company here at the mall.

Please let me know if you need any additional information or documentation.
