Riedy Construction

Thank you to everyone at Riedy Construction for your hard work and special attention to detail while working on our office expansion project. Your knowledgeable and considerate people did an excellent job of balancing the demands of quality construction with budgets and deadlines. They also took the time to deal with us, personally. Every step of the way, we were kept well-informed of current project status, expected progress and schedules, construction options and budget reviews. Our confidence in choosing to work with Riedy Construction quickly solidified during planning and grew ever-stronger throughout the project.

Your company's ability to control and manage the variables within the construction industry is unmatched. You demonstrated organization and expertise while remaining flexible and adaptive. Your staff was a joy to work with from your office to the field. From helping us with professional advice to laughing at my sarcastic jokes, the people working on our project were wonderful.

We at Show Your Logo, Inc. are thrilled with the results of your hard work, start to finish. We will recommend Riedy Construction to others at every possible opportunity and look forward to working with you on future projects.
